How will your school celebrate Morecambe Bay Day this year?

From wild walks and beach adventures to outdoor games or something completely your own — there are so many ways to get involved! Check out some of our suggestions!

Celebrate Morecambe Bay Day 2026

Wild About the Bay

Morecambe Bay Day is back — and we want your school to get involved!

We're inviting schools from around the Bay to come together once again to get active, get outside and celebrate this incredible landscape and heritage on our doorstep.

This year we're putting the spotlight on nature in the Bay. Take part in a '**Wild Nature Challenge**' in your school grounds. You can also choose to raise vital funds to help protect the birds of Morecambe Bay.

Why protect the birds of the Bay?

Morecambe Bay is a vital home for thousands of birds, providing food and safe places to rest throughout the year. Sadly they are fragile and numbers are declining. Our charity brings people together to help tackle this challenge.

By supporting Morecambe Bay Day and our Birds of the Bay appeal, your school can help keep the Bay safe for these special birds — now and for generations to come. **If your activities are sponsored, you can donate funds raised by clicking the button below.**

Donate

The Big Birdwatch Challenge — How many different birds can your class spot? Ask pupils to get sponsored for every species they find.

Flock to the Finish — Can your school collectively walk, run, cycle or scoot the distance of a bird's migration?

Wild Walk — A sponsored walk with a birdwatching twist. Challenge pupils to spot as many birds as possible along the route.

Birdsong Challenge — Can your class learn and perform a bird song? Ask family and friends to sponsor the performance!

Supporting young people, teachers and practitioners

We have some free opportunities for young people, teachers and practitioners living and working across the Bay.

Our Bay Our Future: Green Researchers

For children aged 10 and under that want to learn more about where they live, nature and the environment through enquiry-based learning.

More Info

Learning from the Land & Sea

Free/paid for CPD for teachers and practitioners across the Bay. Next series coming Autumn 2026.

More Info

Keep in touch. Tell us you are taking part by emailing info@morecambebay.org.uk so we can share your amazing ideas and photos on the day (subject to permission).
